Dear Parents,

Welcome to Chabad of Brentwood’s Hebrew School!

Enclosed please find a registration form and some general information for the upcoming school year. Please read this information and if there is anything you would like to discuss at any stage, feel free to call us at 310 826 4453 or email hebrewschool@chabadbw.com. If there is no answer, please leave a message and we will return your call.

We are confident that by the year’s end, along with Hebrew reading, learning about the holidays, and other Jewish topics, your child will have developed a deep love and respect for our precious heritage, as well as a strong Jewish pride. At COBHS we will make Hebrew School the beginning of Jewish learning, not the end.

We encourage you, as a parent, to get involved, ask questions and keep in touch with the goings-on of COBHS.

Looking forward to an enjoyable and successful school year together.

Sincerely,

Rabbi Mordechai Zaetz
Chabad Hebrew School Director

Chabad Hebrew School Curriculum

Our Hebrew School is dedicated to providing a positive environment that is sure to engage the mind and heart, thereby forming an everlasting impression - to last a lifetime. We therefore go to great lengths to create a very warm and exciting classroom atmosphere, incorporating art projects, songs, games, and contests into all of our lesson plans. Our school is a contemporary learning center that is committed to making each lesson relevant and interesting. Our “hands-on” learning style allows the children to experience authentic Judaism. Our Hebrew School will teach children about caring for others, bringing the lessons to life, by enhancing their Midot Tovot - true morals and values. At Chabad the children are happy to come and learn, because learning is fun! With this in mind we have prepared a full and thorough curriculum including the following subjects.

1. Hebrew Reading

Our Hebrew reading curriculum - **Aleph Champ** - is the latest educational breakthrough around. Modeled after the Karate/Martial Arts motivational philosophy of color coded levels and testing, it provides excitement and inspiration, leading the student into a winning cycle of learning. Learning is on an individual basis, and each child is encouraged at his/her level.

2. Torah, Jewish History & Israel

The children will be introduced to the characters and stories of the Bible. An overview of Jewish history starting with creation to the giving of the Torah to modern day Israel will be taught through interactive stories and art projects. The students will gain an appreciation for our heritage and culture that has been preserved throughout the ages. They will study the Torah Portions, providing them with practical lessons that apply to our daily lives. They will also attain an affection for the uniqueness of Israel, our homeland.

3. Jewish Values & Ethics

Using age-appropriate textbooks students will read and discuss real stories and case scenarios that have practical application to our everyday life. They will understand that our religion is based on a G-d given set of values and morals and that the “norm” is not always right. Beginning with the origin of the Mitzvot, our students will explore a personal Jewishness.

4. Shabbat & Holidays

Providing a deeper understanding of Shabbat, we will explore its traditions and customs, and the reasons behind them. Hands-on lessons for each Jewish holiday will fill the calendar as we begin with learning about the High Holidays and continue throughout the entire school year. By the end of the year, the students will have a deeper understanding and appreciation of each holiday, its traditions and customs.

Hand crafted and decorated Menorahs, honey dishes, Seder plates, Shofars, Matzah baking and more will bring our holidays to life and enable the children to bring home a taste of Jewish life.

Chabad of Brentwood Hebrew School will also host holiday & Shabbat celebrations for students and their families.

5. Extra Curricular

Chabad Hebrew School will offer a variety of exciting extra curricular activities such as Friday night Shabbat dinners, family fun days and contests. These events will allow our students to experience Judaism in its entirety. A point system based on in-class and out-of-class participation will allow students to reach different award levels.
